

# WILD TURKEY TRACE

## Member Guidelines

- ✓ Members, Guests and Public Players alike must check-in with the golf shop staff before playing the golf course. To ensure a position on the tee box for you and your guests, tee times are required during our summer hour period. We will block out weekend tee times from 10:00 AM thru 2:00 PM for members. To take advantage of these times, you must make a tee time by Thursday afternoon. After Thursday afternoon, tee times will be open to the public.
- ✓ For the benefit of all players, our Members will be committed to playing the holes in the designated order or as prescribed by the golf shop staff, as necessary. Do not start on the back nine unless you check with pro shop personnel.
- ✓ Our Members agree to set the example for all guests and public play, by staying out of all areas on the course marked as ground under repair or otherwise protected for the sake of improved playability for Members and guests of Wild Turkey Trace Golf Course. (Cart Path Only, Stay on Path sign, etc.)
- ✓ Our Riding & Walking Memberships are a pre-paid greens fee program for 1 year (thru 12-31-21) and apply to “open play” periods at the course during the Golf Season. Open play tee times can be made up to 5 days in advance. Open Play is defined as any time there is not an organized event (i.e. outings, club tournaments or groups).
- ✓ Wild Turkey Trace will be solely responsible for distribution of all alcoholic beverages at the facility, and therefore as Members you will agree that you and your guests will not bring any alcoholic beverages onto the property that were not purchased at Wild Turkey Trace Golf Course. This is consistent with Kentucky law. Violation of this will result in revocation of your membership.
- ✓ Failure to comply with these rules can result in termination from the club with no refund of membership.
